

REPLACEMENT ARM INSTRUCTIONS

How to remove and replace an arm.

- Insert a screw into center of the button cover and turn the screw – the button cover should pop off.
- Use a Phillips Head screw driver to remove the screws from the front and back of the arm. To remove the arm you may need to tap underneath it.
- Re-attach the new arm, re-insert new screws and new buttons.
- Replacement arms are available in a variety of colors or unfinished.
- One pair of arms including shipping is \$ 35.00

Please call 615-384-8477 to receive assistance or to place an order.
